"Christ has Saved Us! We are Made New! ... Now What Does that Mean?"

The Easter Season will end on June 4 with the Day of Pentecost. We will have heard on multiple Sundays about how Jesus' resurrection transformed the lives of men and women and gave impetus to the formation of the Christian church. Easter promises PEACE—FREEDOM FROM FEAR — FORGIVENESS — NEW LIFE — ETERNAL LIFE. That sounds awesome, but now what? What does that mean for you and me, followers of Jesus in 2017, as we struggle to live as Christ has directed us?

Well, that's what we're going to focus on this summer and early fall, leading up to October 31, 2017, the 500th anniversary of the Reformation. I will be connecting the Sunday scripture readings to many of the reformers' themes, like grace, righteousness, priesthood of all believers, vocation, and more. I will make a special effort to apply those themes to the struggles *you* face with family, work, stress, and the world today.

Also, materials will be ordered and distributed for young children, older children, youth, and adults which will help to bring the Reformation alive. There will be pop-up and sticker books, comic books, an updated version of Luther's "Small Catechism" for every family, and more.

I know many of you will be away on vacation and not present every Sunday, but we will try to make every Sunday you are here worthwhile for your faith journey. And don't forget—we have air-conditioning for the first time, and the ever-popular Lemonade on the Lawn. Summer worship is at 10 AM this summer, beginning on June 11. Christ is risen! And we are being transformed!

June 4, 2017—A SPECIAL DAY INDEED!!!

The Day of Pentecost—Festival of the Church and
The Day of Confirmation/Affirmation of Baptism for
NICHOLAS PHILLIPPS.

*Nicholas will help lead worship in some special ways. After worship,
a special reception in Nicholas' honor will be held either downstairs
or outside, depending on the weather.*

Council Corner *From your Council President ...*

Congregation,

We had a very productive council meeting on May 16th and were fortunate to have Bob Fisher, Assistant to the Bishop for Mission Interpretation/Director of Communication, join us. Bob presented to us the Forward Together in Faith capital campaign, which focuses on helping local congregations adapt to the changing religious times in our region/country. This will occur through four major focus areas of support to congregations and their leaders: Innovation, Networking, Communication, and Equipping. Bishop Burkat has asked that we consider a three year commitment of \$6,000 - \$9,000. The council has accepted this call, and more will be discussed in the coming months during worship.

Additionally, we hope to use some of the assistance from this program to help guide our congregation through the coming years, by better understanding the needs of our congregation and how to best communicate within our congregation, as well as outreach for continued growth. More to come on this as we progress through the summer months.

In Faith,

Mike Rhine

Next Church Council Meeting: Monday, June 5 at 7 PM.

PRAYER

Please lift up in prayer the following ...

Outreach ~ Helen Dungan

Food ministry: Thanks to all who contributed canned meats for the food banks during May – this is something they can always use.. During the summer, we will be collecting cleaning supplies and personal care items. This at the request of the Upper Bucks food bank; they told me that these are expensive and not covered by food stamps.

Food Baskets: Thanks to all who contributed a food basket on the altar this Lenten / Easter season. On March 26, 2017, a basket was given by Dot Peterman in memory of Ron Peterman, and her parents Ruth and Charles Eliassen. On April 2nd, a basket was given by Barbara and Ben Naska in honor of their new granddaughter, Ella May Michl. On April 9th, a basket was given by Helen Dungan, in memory of her cousin, David Patten. April 30th, a basket was given by Miriam Anderson in memory of Pearl Musser and a basket was given by Ed Xander in memory of Nancy Jean Xander. On May 7th a basket was given by Helen Dungan in honor of Mary Dungan's 101st birthday.

The May meeting of WELCA was rescheduled for Tuesday May 23rd with the program being our continuing attempts to declutter. We want to thank Val and Paul McGinn, Jim Altemose and Dave Sauter for their work in the sheds decluttering project.

Our June meeting is a luncheon at Hellertown Crossroads Hotel (1443 Main St, Hellertown, PA 18055) on Tuesday June 13 at 12. We can carpool from the church at 11:30. We will schedule on-going decluttering sessions through the summer at that meeting.

Palisades Cluster News—Helen Dungan

Bear Creek Day Camp: Day Camp will use different format this year, which will hopefully make the camp available to more families. Camp will be held for three days, Tuesday, June 27 through Thursday, June 29, and will run from 8 AM to 5 PM. Each day will have 2 full programs; on the extra “day” they will do something special. They will seek volunteers to open the church at 7:30 and close it at 6:30. The camp is for children who have finished kindergarten through those who have finished fifth grade. Older youth can act as helpers. Cost for each camper is \$75. There will be four counselors. We can have up to 40 campers before requiring an additional counselor. Closing will be Thursday evening. Speak to Pastor Dave if interested.

Baccalaureate: The Palisades High School Baccalaureate will be held on Thursday June 1st at 7:00 p.m. at St. Luke Lutheran Church, Ferndale. The Cluster is providing refreshments following the service. We are looking for contributions for the refreshments, please speak to Barbara Naska if you can help.

Vacation Bible Schools: Durham is having their VBS from June 12- June 16, 2017. The theme is Trading Places. Trinity will have theirs from July 17 to July 21, 2017.

Shared Ministry: St. Luke Lutheran Church, Ferndale and St Luke's United Church of Christ, Ottsville are working on a shared ministry plan. Paper work is being finalized; then both congregations will have to approve it. Pastor Suzanne Spaulding would pastor both congregations. As we are no longer only Lutheran churches in the cluster, we tentatively decided to just call ourselves the Palisades Cluster of Churches.

UNDERAGE DRINKING

Underage drinking is a serious health problem in the United States. Alcohol is the most widely used substance of abuse among young people and poses an enormous health and safety risk. The consequences of underage drinking affect everyone regardless of age or drinking status. The effects, such as aggressive behavior, injuries, violence, and death have become a national concern. The NIH states that by age 15, 33% of teens have had a least one drink and by age 18, it was at 60%. Also, in 2015 seven point seven (7.7) million young people, ages 12 – 20, reported drinking beyond just a “few sips” in the past month.

How much is a drink? In the US, a standard drink contains about 14 grams of alcohol. In 12 ounces of beer, there is 5% alcohol. In 5 ounces of wine there is 12% and 40% in 1.5 ounces of whiskey. Binge drinking is also a problem in the 12–20 year old age group. Although girls do binge drink, boys tend to binge more than girls. In the boys’ group binge drinking for 9–13 year olds is 3 drinks, for 14–15 years old it is 4 drinks, and for 16–17 year olds binge drinking is 5 drinks. In the girls group ages 9–17, 3 drinks constitutes binge drinking. As teens get older, they also tend to drink more. It has been reported that more young people use alcohol than cigarettes or marijuana.

The CDC and Prevention Center report alcohol has been a factor in the deaths of more young people under 21 years old every year. Some of these statics are:

- *1,580 vehicular crashes
- *1,269 homicides
- *245 alcohol poisoning
- *492 suicides.

Alcohol use also increases the risk of physical and sexual assault. It also increases alcohol problems later in life, and interferes with brain development. Stress, peer pressure, and easy access to alcohol puts young people at risk for abuse. The CDC and Prevention Center stress intervention by parents, schools, and our legal system. Zero tolerance laws such as adults being responsible for serving minors (Parents Who Host, Lose the Most), supervising their social events, and the schools’ educational programs on alcohol.

Care-A-Lot

As I write this we are getting ready for our Graduation Program. The children will be singing for the families and we'll be presenting a DVD to each family of highlights during the year. We'll be previewing the DVD at Graduation. This year has gone by too quickly. We have had a wonderful year filled with learning, laughter and fun. The children have loved their time with Pastor Dave. He has shared the love of Jesus with them in so many ways. We have made many wonderful memories that will last a lifetime.

I was very proud of the children's singing for Care-A-Lot Sunday. I'd like to thank the members of Durham Church for their generous contributions to the Kathy Hlavaty Scholarship Fund. The contributions have helped a student for this year and the remainder will be placed in the Fund to help anyone in need next year.

As this school year draws to a close, we're looking forward to the 2017-2018 school year. We have 4 returning students and have signed up 2 more. We'll continue to look for additional students during the summer. I'll be at the school working on categorizing our Library and cleaning out the files during the summer. During your summer activities, if you see or know someone who is in need of a terrific preschool, please give them my phone number (484-894-0585) and I'd be happy to meet with them at the school and share information about our program.

Wishing everyone a Fun and Safe Summer!!

Linda Reinbold
