## "GRACE, GRACE, GRACE -- The Ongoing Reformation Message"

On October 29, 2017 we will worship and celebrate the 500th anniversary of the Reformation. It's been 500 years, but we proved 21st century human beings still have a hard time accepting and understanding God's grace. For Martin Luther, St. Paul, and countless others over 2,000 years, grace is the key to our Christian faith and life!

In Luther's day, the judgment of an angry God dominated the Christian landscape. What could you do to please God? Nothing - really! Temptation and destruction were everywhere for human beings, because we are all sinners and cannot perfectly love God and each other. But an amazing grace thing happened for Martin Luther. As he studied the Bible, he discovered in Romans 3:28 that we have been put right with God only through faith in what God has done for us. God has sent Jesus to die for our sins and give us a new life. We did nothing to deserve this salvation and new life. Yet, God loved us so much, God did it anyway.

This changed everything for Luther and many other Christians of the time. Grace has become our gift and treasure ever since. And still we sometimes say, "But what do I have to do to earn my salvation?" The answer from the Scriptures has not changed: "Believe in God's love and God's Son, Jesus Christ." Faith is all that is necessary. Everything good that we now do is in response to what God already did for us.

We still need to know about God's grace, especially in 2017. As so many levels of our relationships, we fail to show grace to ourselves and each other. Grace is **love freely given!** What if we could become more graceful in our words, thoughts, and actions? Then, the ongoing reforming of the Church and the world could produce "amazing" results - "amazing grace."

Come to worship on October 29, and let's celebrate God's grace together!"

~Pastor David Deal

Next Council Meeting: Monday, October 9 at 6:30 PM.

***A new adult small group has begun!***  
***From Select Learning - "How Lutherans Interpret the Bible"***

We meet on Tuesday afternoons from 2-3:30 PM in the Church Fellowship Hall. The program includes a DVD, a Study Guide, and lots of good discussion.

Speak to Pastor Deal if you're interested.

Helen Dungan

During our **September meeting** we looked at the minute and account books from Durham Church women's organizations starting in 1883! We each took a book and shared parts of it with one another. We would like to organize the books and label each one's contents and perhaps write an article on the history of the women of Durham. We also shared genealogy attempts as we read the names of early members.

Our **October meeting** will be on Monday, October 9. We will focus on the Reformation and Luther. We will watch the one hour video "Luther and the Reformation" by Rick Steves. Meeting time is 1:00 in the church fellowship hall. Anyone who would like to meet together for lunch before the meeting, speak to Helen.

The Women of the ELCA, **Upper Bucks Conference** will meet on Saturday November 18, 2017 at St Luke's Ferndale. Registration begins at 8:45, followed by breakfast at 9:15. Our theme is Renewal. Our program is an exploration of the memorials from the Triennial convention which challenge us to "engage in ministry and action, and promote healing" to our hurting world. Representatives who attended the convention will share their experiences.

A heads up: the **Region Seven gathering** of the Women of the ELCA will be held on April 27-28, 2018 at the Holy Passionist Retreat Center in Hartford, Connecticut. This event happens every three years, in the year following the triennial gathering. I went three years ago and highly recommend it. Watch for more details.

**Harvest Home:** Thanks to all who contributed to our collection of food for Harvest Home. A huge thank you to Gladys Nicholas for arranging the food and to all who contributed, helped pack it up and take it to our cars. Cheryl Mesko will deliver the food to the Lord's Pantry and I will deliver to ProJeCt. We collected about 32 bags of groceries.

**Food Baskets:** Thanks to Jim and Lois Altemose who donated a food basket in memory of Montford Nicholas on September 17th; and to Virginia Hager who donated a food basket in memory of Nancy Fox on September 24th. The food was shared with our local food pantries.

**Durham Day:** We will have a table at Durham Day where we are going to highlight the 500th anniversary of the Protestant Reformation. We will have coloring sheets for kids.

**Clean up kits:** Thanks also to those who have contributed to our clean-up kit collection. We will continue to collect items for the cleaning kits during the month of October. The items will be taken to the Lehigh Valley Outreach Center of the United Methodist Church which is in Allentown. Once they have a full truck, they will take it south. Items needed include: Liquid laundry detergent, Liquid household cleaner, dish soap, 50 Clothespins, Clothesline, Sponges, heavy duty trash bags, Cleaning wipes; air freshener, Insect repellent spray, kitchen dishwashing gloves; work gloves, Scouring pads, Scrub brush with plastic or wood handle, and Dust masks. Fall has arrived and we're all excited about the events scheduled for October. We'll be taking our annual field trip to Trauger's Farm. The children will be learning about all of the vegetables and crops that grow on the farm. They'll also be able to sample some of them. The ride in the hay wagon is a wonderful way to tour the farm and at the end they are rewarded with apple cider and a pumpkin. It's a rewarding morning and the children have a lot of fun.

We'll also have a visit from our neighborhood heroes, the Riegelsville Fire Department. The children will learn about fire safety and what to do in case there is a fire in their house. The children love to see the fire truck and the firefighters in their uniforms. We'll end the month with our special Halloween Parade with our masks that they made and many songs that we'll share with the parents. We'll also learn about spiders and bats and experiment on the states of water.

Our Care-A-Lot Theme with Pastor Dave for this month is : "Helping Everyone". The children look forward to his visit each week as we learn about stories from the Old Testament.

Care-A-Lot will again be participating in the Giant A+ Rewards Program. Last year we made \$364.64 from the program, just because people signed up to be a part of the program and put Care-A-Lot as their recipient. Information flyers about how to sign up for the program are available on the narthex table. The program runs from October through the end of March. All you will need is your 11-digit Bonus Card number. The school will earn 1% of the total amount you spend during that time period and a check is sent to the school. It's an easy and convenient fundraiser. You can ask your friends and family to also take part in the program. The more that sign up the more we receive. REMINDER: IF YOU SIGNED UP LAST YEAR, YOU DO NOT HAVE TO SIGN UP AGAIN. If you have any questions please contact me. Thank you in advance.

Enjoy the Beautiful Fall Season!!

Pink October is designated as "Breast Cancer Awareness Month". The American Cancer Society's website ([www.cancer.org](http://www.cancer.org)) is a valuable resource for all types of cancer. They have invested \$4.6 Billion in research since 1946, 781 thousand screenings have been provided to underserved communities since 2011, and 63 million free rides transported patients to treatments and appointments. They noted that 2.1 million cancer deaths have been averted since 1991.

Knowing what to expect, with a diagnosis of any type of cancer, can help one cope. The ACS provides basic information about cancer, its causes – including risk factors, early detection, and diagnosis with different treatment options. They provide experts to answer questions about cancer, the signs and symptoms, the causes, and how different cancers are treated. The Patient Support services provide products for hair loss and mastectomies, online/telephone support (800-227-2345), free lodging at "Hope Lodge", and the "Look Good, Feel Better" program.

Volunteer! Opportunities abound, be it administrative or clerical, organize or participate in community events, become involved in educational and advocacy programs, or in fundraising.

God bless you, Mary Hurley, RN

## Lutheran Disaster Response - Late Summer/Fall 2017 WE CAN – MUST – DO MORE.

Disaster response teams are gearing up to assist people affected by Hurricanes Harvey, Irma, and Maria, while helping people affected by record flooding in Texas and Louisiana to begin the long road to recovery, as well as areas in the West like Montana suffering from fires.

For now, the best response is donations of cash to trusted relief agencies. Sadly, there are those who would take advantage of these tragedies. [ELCA Lutheran Disaster Response](#), and synod disaster funds, **direct 100% of your gift to help people who are affected by storms such as Irma and Harvey. Thrivent will match gifts up to \$3 million.** Synods need funds to deal with initial emergent problems, and LDR steps in to help people through the long-term process of recovery and rebuilding.

## WAYS YOU CAN GIVE MONEY:

Give through your congregation: Make your check out to "ELC of Durham," write "*Hurricane Response, United States*" or "*Lutheran Disaster Response*" on your check's memo line, and mail it to church (PO Box 100, Durham PA 18039) or put it in the offering plate.

**Or give by phone:** Call **800-638-3522** to make a donation with a credit card. Operators are ready to assist you Monday through Friday, 8:00 a.m.-5:00 p.m. Central Time.
