

God's Work - Our Hands: Transformational Ministry Process

On Saturday, September 10, Helen Dungan and Pastor Deal joined pastors and lay members of three other congregations for the first module of a process which hopefully will change individual baptized members in congregations and the congregations as a whole. What's it all about ???

We read Acts 1, 2, and 3 in preparation for the workshop. And we learned that Jesus' Apostles, the 120 of his followers gathered in Jerusalem on the Day of Pentecost, and more than 3,000 people also in Jerusalem, were transformed. They were transformed by the power of the Holy Spirit working through the words and actions of Jesus' disciples. Everything changed - the purposed and focus of their lives, their decisions, they they spent time, talent and possessions. The transformation of those early Christians led to the transformation of countless others. We read in Acts 2:47: ... day by day the Lord added to their numbers."

Men and women and children wanted to become a part of Christ's Church, to hear the Gospel and be changed by it. Two thousand years later, here we sit, confused and discouraged by the events of the world and the seeming lack of influence the church has. But it doesn't have to be that way. As we worship, praising God with our hearts, minds, and souls, as we study the scriptures, as we act as those early followers in Acts acted, we can be transformed and become an important part of God's transforming purpose in the world. That is what each of us is called to do to be open to the Spirit's transforming power and to become conduits of that power to those around us. Let's get over our timidity at talking about what God has done. Let's share the Good News with at least as much passion as we share experiences in sports, music, hunting, gardening, etc.

I will be focusing on this "transformation" theme in my preaching from the scriptures this fall. Come worship, grow, and be transformed with me. After all, our hands **are** an important part of God's work.

~ Pastor David Deal

Council Corner

From your Council President ...

A congregational meeting was held on September 18th to discuss the need for, and estimated cost of, parking lot repaving and possible expansion. It was apparent that most attendees were in agreement that repairs were necessary, but there were many opinions about how much to do and, of course, how to pay for it. As the meeting did not provide Council with a clear mandate on how to proceed, with Autumn closing in, we won't be able to do anything before Spring.

While the estimates will no longer be valid, they do provide some guidance for planning. Stay tuned for further information as Council and the Finance Committee wrangle with the subject.

Barb Naska and I welcome input, especially photos of activities, or of any of our shut-ins, for the 2012 Directory. Hopefully, we'll see all of you during the photography sessions October 6th-8th. Smile, God loves you.

Val McGinn

Next Council meeting - October 11th, at 6:30 PM, with food

Council assignments for November: Barb Naska and Dave Sauter

New Large Print Worship

Resources become available, beginning on October 2, 2011. Purchased through the generous memorial contributions in memory of Dorothy Metzgar, special hole-punched binders with large-print pages of the liturgy and hymns for each Sunday will be available. Look for these large-print worship helps where you receive your bulletin from the greeter each Sunday.

There will be a meeting of the 200th Anniversary Committee on Sunday, October 16th, right after church.

Community Health Ministry (Parish Nursing) Submitted by: Lois Altomose RN BS

The Community Health Ministry is a faith based nursing program in Upper Bucks County as an outreach to the sick and homebound. The purpose is dedication to the promotion of mind, body and spiritual well-being through health prevention activities and visitation to the homebound and ill under established faith community nursing guidelines. (from By-Laws of Upper Bucks Community Health Ministry)

Parish nursing is based on the assumption that we care for self and others as an expression of God's love. The goal is to integrate the practice of faith with the practice of nursing so that people can achieve wholeness.

The parish nurse does not provide "hands on" nursing care. The role does include health education by providing written information and/or programs to promote wellness. He/she may be a coach or personal health counselor, assist in referrals to professional care or assistance agencies, serve as an advocate for congregational members navigating the complex health care system, and integrate faith and health.

This program is in the developmental stages in this area although parish nursing is a longstanding phase of nursing in many communities. The Tinicum Lutheran Church has a Faith Community Nurse, Mary Hurley who has been instrumental in promoting the program in Upper Bucks. Any person can be a member of the health ministry team. It requires a heart for caring, listening skills, therapeutic communication and spiritual presence. As the program develops others are encouraged to join the nurses on the Health Ministry team.

For further information interested people may contact Mary Hurley at 215-766-8730, Pastor Deal, or Lois Altomose. The next meeting of the Upper Bucks Community Health Ministry will be on October 11, 2011 at 7PM at St. John's Catholic Church.

Our September meeting began with supper, moved to a devotion centered on the early church. Then we remembered **Irene Fox** and **Mildred Seifert** who particularly mirrored two of the themes we discussed in our devotion: community (caring for those in the church) and service (caring for other people in Jesus' name).

We remembered Irene's home made bread which she baked for the Easter Dawn breakfasts, the soup suppers, and the early beef roasts (which she and George started). We have mental pictures of her peeling potatoes as we made the potato soup. Milly was a visitor to our shut in members. At one point in time she and Earl **were** our Friendly Visitors. Both of these women had a wonderful outlook on life – they were both positive and appreciative. We want to thank them for giving to the Lord.

Helen Dungan

During our brief business meeting, we discussed working on a heritage cookbook for our anniversary (and were divided – some of the cooks whose recipes we'd love to have, don't use any!) We also talked about having a program on our Chrismons (the symbolic Christmas ornaments which decorate our trees). The consensus was Christmas was too busy a time to do this. We'd like to know if you would be interested in learning about them, and perhaps making some, and when would be a good time.

We set our next meeting date for **Wednesday October 20, 2011 at 1:30** where the discussions will continue.

Food ministry: We will be collecting **jelly and juice** for the food banks during the month of October. I spoke to the folks at Project and they are low on everything.

Outreach - Helen Dungan

Harvest Home: Will be held Oct. 9th. Please bring non perishable food items – everything is needed. The money collected in our Harvest Home envelopes will be split between the two food banks.

Evangelism: During the Transformational Ministry workshop we did a Bible study on the first four chapters of Acts. And using this text for a basis discussed the question "What is the church?" We were telling our "coach" that we would be celebrating our 200th anniversary next year; and he said while we are looking back and celebrating our legacy, we should also look forward and ask ourselves what is our legacy to be?

Durham's Community Day is an ideal opportunity to meet members of our community; and we'd like to take this opportunity to ask them what they like about our community and what if anything they feel could be improved. The ultimate goal is to know the community and to think about our church's role in it. We need volunteers to meet and greet (and to cart and set up) Please speak to Pastor or me if you can help. Date is Saturday October 8th.

Friendly Visitors: We will be having a revise and reassign visitors meeting. Please watch the bulletin for the date.

Palisades Cluster News

Linda Frey is working with Lutheran Disaster Response on flood cleanup. She is looking for volunteers to do cleanup, but also some folks to serve on the Long Term Recovery Committee helping her evaluate requests for help. There is more paper work now, because we are helping with unmet needs (things the insurance company, FEMA and PEMA didn't cover.) If you can help in either way, please contact her at Linda Frey [lwfrey@epix.net]

Dean Hopcke announced the Bishop's gatherings for the synod; the closest will be at Trinity Lansdale on November 6, 2011. Time is 2-5; the theme is God is doing a new thing. This is always an inspiring event; if you would like to attend, tell Pastor. We will try to carpool.

Notes from the Special Congregational Meeting on Parking

A special congregational meeting was held on Sunday Sept. 18th to discuss the condition of our parking lots, and the cost and feasibility of having them resurfaced.

George Kreitz had gotten bids from three contractors, dividing the project into four sections and also including the total bid if done at one time. The four sections were: 1. the front of the church 2. the side of the church 3. across the road from the church and 4. to gravel the area between the church office and the cemetery. One bidder gave a \$3,000 discount for doing all at once. Bids ranged from approx \$33,000 to \$43,000. We then discussed paying for the project.

There is approximately \$44,000 in the memorial fund, and there was (before we filled the oil tanks) approximately \$13,000 in the building fund. After much discussion on means of paying for the project, we adjourned with the stipulation that a motion would come before the congregation at its annual budget meeting in December.

Please look at the parking lots (and your wallets) and tell members of council members what your advice is. For more details, speak to George Kreitz

God Said NO ...

I asked God to take away my habit. **God said, No. It is not for me to take away, but for you to give it up.**

*I asked God to make my handicapped child whole. **God said, No. His spirit is whole, his body is only temporary.***

I asked God to grant me patience. **God said, No. Patience is a by-product of tribulations; it isn't granted, it is learned.**

*I asked God to give me happiness. **God said, No. I give you blessings; Happiness is up to you.***

I asked God to spare me pain. **God said, No. Suffering draws you apart from worldly cares and brings you closer to me.**

*I asked God to make my spirit grow. **God said, No. You must grow on your own, but I will prune you to make you fruitful.***

I asked God for all things that I might enjoy life. **God said, No. I will give you life, so that you may enjoy all things.**

*I asked God to help me LOVE others, as much as He loves me. **God said... Ahhhh, finally you have the idea.***
