## *"Destructive National Division vs God's Will for Unity and Peace"*

November 6, 2018!!! You may or may not have heard that this may be the most important date for American citizens in our lifetime. It is U.S. Election Day for the Mid-term Elections. It is just five days after one the holiest days for every Christian - All Saint's Day, when we celebrate the sainthood bestowed on us in Baptism. And our Holy Baptism calls us to do God's holy will in every aspect of our lives - including our lives as national citizens.

Carrying out our responsibility and voting is not easy. It is often messy and unclear. It is especially messy this year when it seems to so many of us that there is nothing but disagreement, division, and nastiness all around us. Division around politics and political opinion has invaded our families, our workplaces, our communities, and our communities of faith. Many times, it seems as if we are unable to listen or talk to those with different political allegiances. This division has so affected us that we are tempted to stop talking, to stop associating with those with whom we disagree. We may even be tempted to drop out of the civic realm altogether. We may even decide not to vote.

Before November 6 gets here, it seems as though, as baptized Christians, we ought to at least try to ask about God's will for our actions as citizens of the U.S.A. After all, there can be no doubt that our ultimate allegiance is not to political party, political ideology, or any government official, but to God alone. Can the Word of God inform our response to this tense moment in our nation and culture? Let me cite two portions of Scripture and some words of our denomination's namesake, Martin Luther.

- John 17:11b (Jesus prays to God for his followers before he goes to the Cross) "Holy Father, protect them in your love that you have given me, so that they may be **one**, as we are one."
- Ephesians 4:1-3 )St. Paul writes to Christians in the Ephesian Church) "I, therefore, the prisoner in the Lord, beg you to lead a life worthy of the calling to which you have been called, with all humility and gentleness, with patience, bearing with one another in love, making every effort to maintain the unity of the Spirit in the bond of peace."

*(Continued, page 10)*

## Worship Highlights for October and November 2018

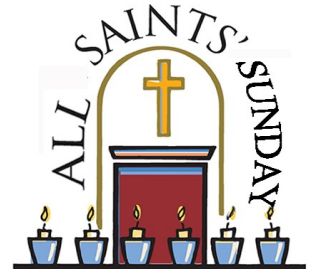

**Sunday, October 7** - Blessing of the Animals during the 10:30 AM service. Bring pictures of your pets - living or those who have died - and place them in the church windows. We will call out their names during the service, which honors St. Francis of Assisi, who also loved animals.

**Sunday, October 21** - First Holy Communion at our 10:30 AM service. Sam Rhine and Leo Grzelkowski will gather wither their families and all of us to receive their First Holy Communion. The boys and their parents will attend a First Communion Preparation Workshop on Saturday, October 13.

**Sunday, October 28** - Reformation Sunday - God's Grace is raised above all other things. The color for the day is red, so wear red if you can!

**Sunday, November 4** - On All Saint's Sunday, we remember those brothers and sisters in Christ, members of Evangelical Lutheran Church of Durham, who have died during the last twelve months: Betty Fox, Leo Fox, and Louise Leidich. Candles will be lit, bells rung, and the names of those who have passed will be called.

**Sunday, November 11** - On Veteran's Day, special recognition will be shown to the veterans - dead or alive - who have been part of our Community of Faith.

**Wednesday, November 21** - This Thanksgiving Eve, Evangelical Lutheran Church of Durham will host a service for Trinity Lutheran (Pleasant Valley), Christ Lutheran (Springtown), and Salem United Methodist Church (Springtown). A joint choir will sing. We ask that you bring non-perishable food to donate. A cash offering will be collected to help fund a new position of part-time Shelter Program Director at the HUBBUB Code Blue Winter Shelter in Quakertown.

**Sunday, November 25** - Christ the King Sunday is the last Sunday of the church year. The year of the Gospel of Mark will end, and on Sunday, December 2, the new year of Matthew will begin. Please join us for a great celebration on November 25!

**School supplies:** Thanks to everyone who donated to our collection of school supplies. At St. Andrew's, a crew filled over 30 cloth backpacks for Lutheran World Relief; and over 25 regular backpacks for Quakertown students. We also gave supplies to the teachers at Quakertown and to Lutheran Family Services.

**Food ministry:** I also thank everyone who donated to the Harvest Home food collection. This food and money will be split between the two food pantries we support, the Lord's Pantry, and Project Easton.

During our recent trip to Project Easton food bank, they requested personal care items: shampoo, soap, body wash, etc. AND toilet paper. So, we will collect these items for them in October. In November we will collect nonperishable foods for Thanksgiving. I will check with the Lord's Pantry to see what their specific need are as we get closer to November. It is hard to plan this far out as their needs change daily.

**Food baskets:** September 9th, a donation was made to Project by the Naska family in honor of Barbara Naska's birthday. The Altar Food Basket on September 16<sup>th</sup> was given by Lois and Jim Altemose in memory of Montford Nicholas. The basket on September 23<sup>rd</sup> was given by the Seipt Family in honor of Don Seipt's 90<sup>th</sup> birthday. The basket on September 23<sup>rd</sup> was given by the Seipt Family in honor of Don Seipt's 90<sup>th</sup> birthday. The basket on September 30<sup>th</sup> was given by Helen Dungan in honor of Don and Gerry Seipt's 90<sup>th</sup> birthdays (and with abject apologies for removing the September 23<sup>rd</sup> basket, thinking it was from the previous week.)

**We will begin scheduling appointment times for photo shoots for our new Lifetouch Pictorial Directory beginning Sunday, September 30th after church. Photo shoots are scheduled for Friday, November 9th & Saturday, November 10th at the church. We will schedule appointments all during the month of October. We would like to have all members, associate members, Care-A-Lot families, and those who have ties to the Durham Church in our new pictorial directory.**

We are also looking for pictures of activities and events at ELC of Durham. We're looking for pictures from events like Bible School, Baptisms, Weddings, Community outreach, Bible study, etc. These pictures will highlight our directory. The best pictures are clear, up-close pictures of a group or individuals who are clearly identifiable and all have eyes open, etc.

If you have any questions or if you have pictures of events, please contact Lynn Gaun 610-749-0217 or Barb Naska 610-847-5853. You can also text pictures to Ann (610-730-3525) or email them to the Church Office - [evangel@durhamlutheran.org](mailto:evangel@durhamlutheran.org) - as we are always looking for photos for our website and Facebook page. Be sure you have the permission of people pictured in the photos you submit!

## Congregational Highlights

**Confirmation** has begun for young people from Evangelical Lutheran Church of Durham, Trinity Lutheran in Pleasant Valley, and St. Peter's, Riegelsville (joining us for the first time). Ten or so young people will join us every other Sunday evening from 5:30 - 8 PM to grow their relationship with a loving God. Focus this year will be on the Bible. All three pastors will join parents in helping these young people grow in faith. Pray for this important ministry for adolescents, and especially for Hunter Aquino (2nd year) and Samantha Mueller (1st year) from our congregation.

## West Nile Virus

A wet, hot summer has made the country susceptible to an increase in the mosquito population. Mosquito breeding starts in the summer and continues into the fall. One virus caused by a mosquito bite to a human, is the West Nile Virus. Cases have been reported in all of the United States. Unfortunately there are no vaccines to prevent it or medications to treat it.

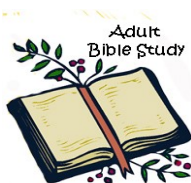

Fortunately, though, most people infected do not have symptoms or their symptoms are mild. One in five people who are infected develop a fever and other mild symptoms. About one in a hundred and fifty develops serious symptoms. Mild symptoms include: fever, headache, body aches, nausea/vomiting, diarrhea, fatigue and possibly a rash. These symptoms are similar to the flu and usually subside in a few days. The more serious symptoms require immediate medical attention and are: high fever, severe headache, stiff neck, disorientation/confusion, stupor, tremors or muscle weakness. Incubation from the bite ranges from two to fourteen days.

To reduce the risk of a bite, use insect repellent and wear long-sleeved shirts and pants. The peak time for mosquitoes is early morning and dusk. Also, standing water and dense wooded areas provide breeding places for them.

God Bless You,

Mary Hurley, RN

## Adult Sunday School

The Adult Bible Study Sunday class is discussing the Gospel of John. We meet in the back of the church around 9:00 AM - all are welcome to attend.

Fall will soon arrive and we're excited about the events scheduled for October and November. We'll be taking our annual field trip to Trauger's Farm. We'll be learning about all of the vegetables and crops that grow on the farm. They'll also be able to sample some of them. The ride in the hay wagon is a terrific way to tour the farm and at the end they are rewarded with apple cider and a pumpkin.

Miss Becky, the Children's Librarian from Riegelsville Library, will resume her once a month visit to share stories and books with the children. We'll end the month of October with our special Halloween Parade with our masks that they made and songs that they'll share with their families. Our Care-A-Lot theme with Pastor Dave for October is: How Can We Be Helpful?. The children look forward to his visit each week as we learn about stories from the Spark Bible.

In November, we welcome the Pilgrims, Native Americans and Turkeys. Our special celebration for Thanksgiving will be "Thanksgiving Theme Day". The day will begin with making a centerpiece craft for our table. We'll then move to the game station where we will play "Pumpkin Pie Relay, Find the Turkey Feathers and Turkey Bean Bag". We'll finish with the food station where we will make our dessert for our feast. They will then put on their turkey costumes that they made and sit down to eat our feast. Thank you to our parent volunteers and Mrs. McGinn for helping with the day's activities. The parents and families will arrive at 11:45 for our story and song fest. Our Christian theme for November with Pastor Dave is "Who Are We Thankful For". We'll also be learning about food/growth, manners and opposites.

The students, parents and staff would like to say "THANK YOU" to the church members for all of the supplies that were donated to Care-A-Lot. We also would like to thank Jim Altemose for scraping and painting the peeling areas in the hallway, Dianna Streletz for cleaning the stairs and hallway and Cheryl Mesko for coordinating the clean-up. We'd also like to thank Joel Roney for installing the gate into the kitchen.

Care-A-Lot will again be participating in the Giant A+ Rewards Program. Last year we made \$545.36 from the program, just because people signed up to be a part of the program and list Care-A-Lot as their recipient. Information flyers on how to sign up for the program are available on the narthex table. Different this year is that you need to sign-up on line or call their help number and they will sign you up. The school will earn 1% of the total amount you spend during the time period and a check is sent to the school in June. The more who sign up, the more we receive. **Reminder: If you signed up in the past and your number hasn't changed, you DO NOT have to sign up again.** If you have any questions, please contact me. Thank you in advance.

Enjoy the beautiful Fall season!!!  
Linda Reinbold

**September meeting:** Our tour of the **Easton food bank** was really informative. They are one of seven foodbanks in the Easton area; who cooperate so that there is a food bank open every day. ProJeCt, because they are manned four days a week, gets the most drop in people with needs. To use the foodbank you have to be a resident of Northampton County and have an income below a certain level. You can use any of the 7 foodbanks once a week. They also serve homeless people with added supplies like blankets, sternos, socks and gloves.

Donations of food comes from local churches and organizations; stores and individuals. They also receive food from Second Harvest (Upper Bucks receives food from Philabundance.) They have one paid employee, all the rest are volunteers. They get fresh meat, fresh bread and dairy products. What they do not get much of are personal care items – including toilet paper. They have a shelf for these, and a person can have **one** item each month. We are going to collect toilet paper and personal care items for them in October.

**October meeting:** Will be the fall gathering of the Upper Bucks Women of the ELCA. We will carpool from the church to Trinity, Perkasio.

**Program:** Living in God's Forgiveness and Love - **Attendees:** All women are invited

**Speaker:** Rev. Dr. Jennifer Ollikainen, Pastor of Trinity and author of article about forgiveness in the September 2018 *Gather* magazine

**Date:** Saturday October 20, 2018

**Time:** Registration is from 8:30 to 9:00, Breakfast follows at 9:00,

**Place:** Trinity Lutheran Church, 19 S. Fifth Street Perkasio.

**Parking:** There is a parking lot on 4<sup>th</sup> and Chestnut St. or you can park on the street.

**In Kind gifts:** Bars of soap, sanitary pads (no tampons), wash cloths, deodorant, travel-sized hand sanitizer, toothbrushes, and toothpaste to support a Poverty Resolutions mission of women in Haiti

**RSVP:** please let me know if you are coming – our hostesses are trying to get a head count so they have enough food.

**November meeting:** We will share information on a local organization Worthwhile Wear which works with people trapped in human trafficking. They finance their ministry through their thrift shops which also sell the jewelry made by women in India who are learning this trade as a way of making a living without selling themselves. The organization also supports a home, The Well, for Upper Bucks women who are trying to get out of the same trap. We are going to look into possibly volunteering at Worthwhile Wear in the spring.

**Date:** Friday November 2, 2018      **Time:** 11:00 am      **Attendees:** All women are invited

**Place:** Fellowship Hall; followed by a trip to Worthwhile Wear thrift shop in Pipersville for those who would like to go.

**In Kind gifts:** We will be collecting clean, good quality winter clothes to donate

It seems clear that our Lord desires that we be united as human beings and not divided by our political beliefs. This doesn't mean that we can't have different ideas about government and political policy. It does mean that we dare not dismiss other human beings because of our differences. We are not allowed to devalue Republicans or Democrats or Independents because of what they believe. Instead, I believe God is calling on us in 2018 not to disconnect from each other. Let's listen to all sides. Let's disagree without being disagreeable, prideful, or impatient. After all, we pledge allegiance to "One Nation under God." If we take these actions to reverse destructive national division, we will be taking Christlike actions.

- Martin Luther, in his explanation of the Fourth Commandment in the Small and Large Catechism, lists government as one of God's gifts of "Daily Bread" to us. Good government does good things for human beings under national authority. We are not to view government as "inherently evil." Certainly, since government involves human leaders, it is imperfect and sometimes sinful. Yet, we need government for good order and necessary services. For us, the governed, to decide that we're just fed up with presidents, governors, legislators, and judges to the extent that we're ready to drop out of the system, is not a godly action for the Christian citizen. The process is messy and imperfect. But it is still possible for government to do good and just and compassionate things for its citizens.

There's about a month left before November 6 - Election Day. It's not too late for us as Christian citizens to pray about our responsibility. This is what I think God would want us to do. God would want us to study honestly candidates and issues. God would want us to vote for those who seem to want to help the least of these - those who need the most help - the hungry, the poor, the homeless, those who are un- or under-employed, and others who lack power.

God would then want us to dare to vote, even if we cannot find the perfect candidate. This is what I'm planning to do in the weeks ahead. I urge you to join me in this important Christian responsibility.

~Pastor David Deal
