Evangelical Lutheran Church of Durham

It's Epiphany Time

The Epiphany Season began on January 6th! This season of the church year focuses on the way God is revealed to the world, especially through his son, Jesus Christ. From now until the end of February, Christ makes himself known in the real world of human beings.

January 6 - Christ is made known through the adoration of the Magi.

January 13 - Christ is made known through his and our baptism.

January 20 - Christ is made known through a miracle at the wedding at Cana and through the bread and wine of Holy Communion.

January 27 - Christ is made known as an adult through his appearance in the synagogue. There, he shares his purpose by reading from the prophet Isaiah and declaring that the prophet's words have been fulfilled by him at that very moment.

Come and worship with the church these January Sundays, so that Christ may be revealed and come alive in you. ~Pastor Deal

January Highlights

- Epiphany process of the Magi - January 6 at the 10:30 AM service.
