Romans 8:12-25

About This Week's Story

Paul says that we have been adopted as children of God. What are some things that are unique about the relationship between children and their parents? Take turns sharing your answers with one another.

Family Prayer

Abba, we are thankful that you have adopted us as your children. Help us to love you like children love their parents. Bring peace and comfort to those who don't have families, and remind them of your unconditional love. Amen.
