Matthew 15:[10-20] 21-28

About This Week's Story

This is the story of a woman from Canaan who brings her daughter to Jesus to be healed. It's a story about perseverance and hope. The woman persists, and Jesus eventually rewards her for her faith, and heals the young girl.

Family Prayer

Healing God, thank you for healing the daughter in this week's story. We ask that you would heal sick people today, especially [name aloud anyone you know who needs healing]. Be with us as we strive to be people of faith, like the Canaanite woman. Amen.
