LECTIONARY 18

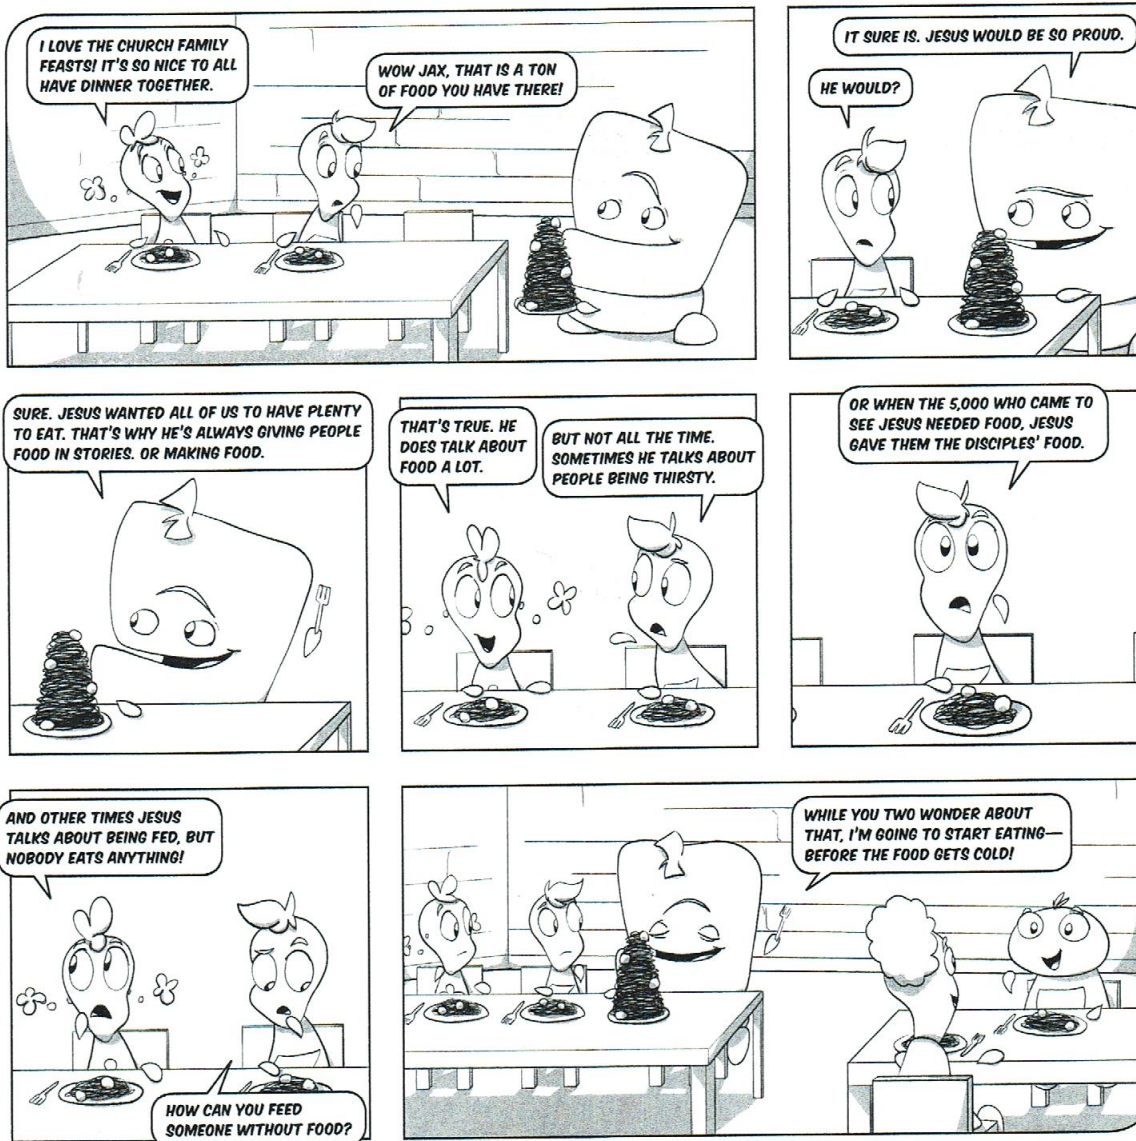

Matthew 14:13-21

About This Week's Story

When Jesus takes five loaves of bread and two fish to feed thousands of people, it's more than just magic—it's a miracle. The miracles that Jesus performed helped people understand that he truly was the Messiah, God's chosen son.

Family Prayer

Dear God, thank you for the many miracles of Jesus. We pray that you would work through us, to help bring food to the hungry people around the world, and that they might know your love. Amen.
