## LECTIONARY 22

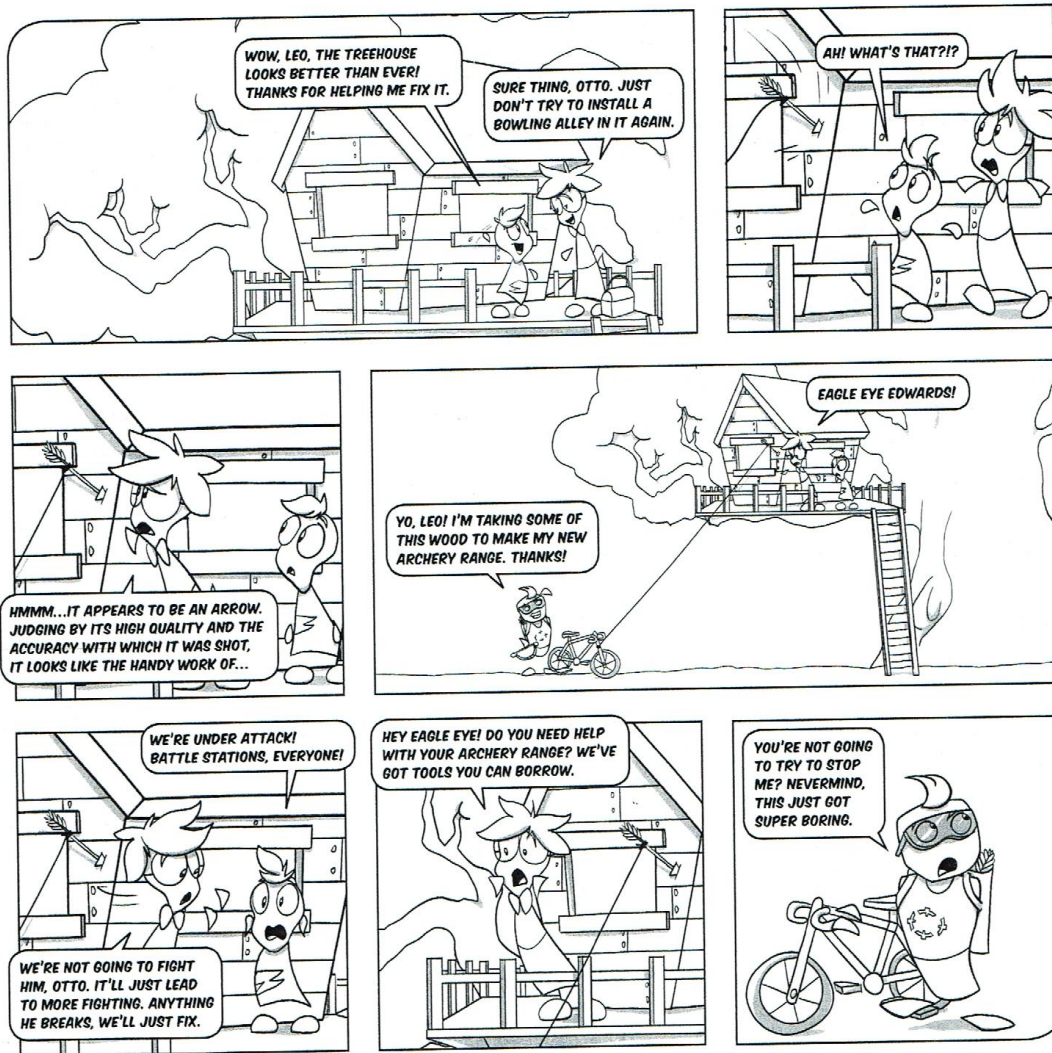

### Romans 12:9-21

#### About This Week's Story

Interacting with other people isn't always easy. Paul knows this, and so he gives the Romans some stark words of advice about what it means to be in community, which means being among people we don't like very much.

#### Family Prayer

Dear God, sometimes people get on our nerves or make us upset. Help us to see them as your children and to live in peaceful community. Let our love be genuine; let us hate what is evil; let us hold fast to what is good, and let us love one another.
